Description

Oil painting by George R Hanan, N.D.
This painting shows a goods train beside the inlet at Bruckless, heading from Donegal to Killybegs, in 1956.
The engine is the second No 1, class 5A "Alice".
The train is on the east side of the inlet approaching one of the crossing cottages - hence the fence in the foreground.
Although it was a goods train, it had a break coach at the rear.
